On Friday, March 4, 2011, Agents (b)(6) (b)(7)(C) of the Murrieta Border Patrol station were assigned roving patrol duties along th Interstate 15 corridor for the 2:00 p.m. to 10:00 p.m. shift. (b) (7)(E)

(b) (7)(E) Agents (b)(6) (b)(7)(C) were assigned a fully marked service sedan with all emergency equipment in place and fully functional.

At approximately 3:30 p.m., the Agents were parked along Highway I-15, just north of Dear Springs Road. As the Agents were observing traffic headed North on I-15, they noticed a black Honda Civic approach their position. As the vehicle passed the Agents location, they noticed it contained two occupants. Both occupants appeared to become very rigid at the sight of the Border Patrol Agents. Agents (b)(6) (b)(7)(C) then pulled into traffic along Highway I-15 and pulled behind the vehicle to gain a better view of the occupants.

The Agents pulled along the passenger's side window and noticed both occupants refused to make eye contact with the Border Patrol Agents. At this point the Honda Civic slowed down immensely in an attempt to create distance from the marked Border Patrol sedan. The Honda was now traveling considerably slower than the flow of traffic. Agents (b)(6) (b)(7)(C) (b)(6) (b)(7)(C) recognized these behavioral indicators as common amongst aliens present in the United States illegally. The Agents mirrored the Honda, still monitoring the occupant's

While being paced by the Border Patrol Agents, the occupants continued to stare straight forward, refusing to acknowledge that the Agents had been pacing the vehicle for some time. (b)(7)(E) Agents (b)(6) & (b)(7)(c) and (b)(6) & (b)(7)(c) became suspicious the occupants were in violation of immigration law. The Agents slowed their sedan and pulled behind the Honda, in order to run records checks on the license plate. At this point Agent (b)(6) & (b)(7)(c) requested through Murrieta Border Patrol Station Communications Office (b)(7)(E) Dispatch that the displayed California plate, (b)(6) & (b)(7)(c) be checked through Department of Homeland Security (DHS) records database. When the Agents pulled along the other side of the vehicle, (b)(6) (b)(7)(C) was still in a rigid upright position looking the opposite way away from the Agents, in an attempt to hide his face. This observable action by the subject is common behavior demonstrated by illegal aliens when startled by Border Patrol presence. At this point the Agents pulled behind the vehicle and observed that the vehicle was swerving in its lane, in an attempt to locate the marked unit in its review mirror. This is a common tactic used by illegal aliens when trying to avoid detection/apprehension from U.S. Border Patrol Agents. At this point the Agents conducted a vehicle stop.</p> <p>During the inspections, both subject freely admitted to being a citizen of Mexico. While in course to the Interstate-15 via the northbound lane of Mission Trails, in Wildomar, California, we noticed a navy-blue 2002 Toyota sport utility vehicle (California license plate #: (b)(6) (b)(7)(C)) that was also in course along the northbound lane of Mission Trails, in which the occupants of the vehicle, (b)(6) (b)(7)(C) and (b)(6) (b)(7)(C), displayed questionable behavior. Upon observation of our marked Border Patrol unit, the subjects became uneasy, excessively upright, and unusually rigid. They also made noticeable efforts to avoid eye contact with us. Furthermore, the avenue upon which Agent (b)(6) (b)(7)(C) and I initially become aware of the suspect vehicle (i.e., Mission Trails) is contiguous to the Interstate-15, one of the aforementioned corridors (b)(7)(E) (b)(7)(E). Moreover, the behavior displayed by the subjects, (b)(6) (b)(7)(C) and (b)(6) (b)(7)(C) is relatively universal among persons engaged in illicit activity.</p> <p>Taking into account the above circumstance, Agent (b)(6) (b)(7)(C) and I elected to follow the suspect vehicle for further observation; however, the vehicle unexpectedly yielded along Como Street, whereby Agent (b)(6) (b)(7)(C) and I consensually encountered the subjects, (b)(6) (b)(7)(C) (b)(6) (b)(7)(C).</p> <p>I firstly identified myself as a United States Border Patrol Agent, and initiated an immigration inspection with the driver of the vehicle, (b)(6) (b)(7)(C). (b) (7)(E) -- Menifee, California

On Monday, April 11, 2011, at approximately 2:00 p.m., Border Patrol Agents of the Murrieta, California Border Patrol Station were assigned to traffic check functions along Highway-76, Old Highway-395, Interstate-215, and the Interstate-15; (b) (7)(E)
(b) (7)(E)

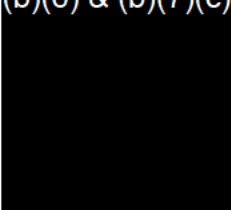

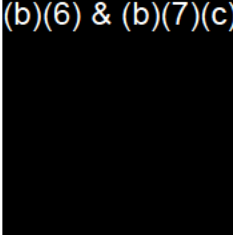

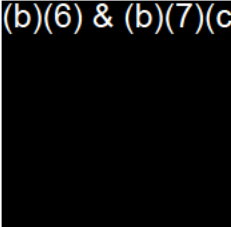

Border Patrol Agent (b)(6) (b)(7)(C) and I, Border Patrol Agent (b)(6) (b)(7)(C), were assigned the function of roving patrol; we were consigned to the Interstate-15. While in course via the northbound thoroughfare of the Interstate-215, near Menifee, California, we noticed a black 2005 Chevrolet pickup truck (California license plate #: (b)(6) (b)(7)(C) that was also in course along the northbound corridor of the Interstate-215, in which the occupants of the vehicle, (b)(6) (b)(7)(C), displayed questionable behavior. Upon observation of our marked Border Patrol unit, the subjects became uneasy, excessively upright, and unusually rigid. They also made noticeable efforts to avoid eye contact with us. In addition, the corridor upon which Agent (b)(6) (b)(7)(C) and I initially become aware of the suspect vehicle (i.e., the Interstate-215) is one of the aforementioned corridors (b) (7)(E)
(b) (7)(E). Moreover, the behavior displayed by the subjects, (b)(6) (b)(7)(C)
(b)(6) (b)(7)(C), is relatively universal among persons engaged in illicit activity.

Taking into account the above circumstance, Agent (b)(6) (b)(7)(C) and I initiated a vehicle stop along the northbound corridor of the Interstate-215, approximately three-fourths of a mile south of Scott Road, in the city of Menifee.

After firstly identifying himself as a United States Border Patrol Agent, Agent (b)(6) (b)(7)(C) initiated an immigration inspection with the driver of the vehicle, (b)(6) (b)(7)(C). Agent (b)(6) (b)(7)(C) asked (b)(6) (b)(7)(C) of what country he was a citizen. (b)(6) (b)(7)(C) willingly stated that he was a citizen of Mexico. Agent (b)(6) (b)(7)(C) then asked the subject, (b)(6) (b)(7)(C) if he possessed any document that would authorize him to be in or remain in the United States legally. (b)(6) (b)(7)(C) freely stated that he did not. Similarly, Agent (b)(6) (b)(7)(C), after re-identifying himself as a United States Border Patrol Agent, conducted an immigration

<p>(b)(7)(E)</p> <p>At approximately 10:40 am the agents observed a vehicle with two occupants traveling eastbound on Highway 76 towards I-15. Upon noticing the uniformed agents, the subjects became very nervous. The subjects immediately looked in the opposite direction and acted as if never seeing the Border Patrol Agents. The agents then proceeded to follow for further observation as the vehicle entered onto the I-15 southbound. As the agents followed, the subjects driving habits noticeably changed. The speed of the vehicle decreased from 72 to 58 miles per hour when the occupants noticed the marked unit beside them. This action is common among illegal immigrants and their smugglers in the presence of the Border Patrol. The agents then performed a vehicle stop on the vehicle at I-15 South and Gopher Canyon Road to conduct an immigration inspection on the occupants. The agents made contact with the occupants and then identified themselves as Border Patrol Agents. The agents questioned all subjects as to their citizenship and both freely admitted to being citizens and nationals of Mexico illegally present in the United States. All subjects freely stated to have crossed illegally and not be in possession of proper immigration documents. All subjects were brought back to the Murrieta Border Patrol Station for Processing.</p> <p>At the station, all subjects were again questioned their citizenship to which they again stated being Mexican citizens without proper immigration documents to remain in the United States legally. The subjects also stated to have crossed into the United States at a place other than a designated port of entry.</p> <p>At the station, as a routine step in processing, (b)(6) & (b)(7)(c), photograph, biographical, and biometric information was entered into processing systems. Agents (b)(6) (b)(7)(C) were assigned a fully operational service sedan with all lights and safety equipment visible to the motoring public. At approximately 8:25 a.m., the Agents parked along Interstate 15 near Deer Springs Road. As the Agents were observing traffic headed north on I-15, they noticed white GMC approach their position. As the vehicle passed the Agents location, they noticed the two male occupants became very stiff and rigid at the sight of the marked sedan. The Agents then pulled into traffic on north I-15 to gain a better view of the vehicle's occupants. The Agents pulled along the driver's side window and noticed the occupants refused to make eye contact with the Border Patrol Agents. At this point the GMC slowed down immensely in an attempt to create distance from the marked Border Patrol sedan. The GMC was now traveling considerably slower than the flow of traffic. Agents (b)(6) (b)(7)(C) recognized these behavioral indicators as common amongst aliens present in the United States illegally. The Agents mirrored the GMC, still monitoring the driver's unusual behavior. While being paced by the Border Patrol Agents, the passengers continued to stare straight forward, refusing to acknowledge that the Agents had been pacing the vehicle for some time. Based on their prior training and experience, Agents (b)(6) (b)(7)(C) became suspicious the passengers were in violation of immigration law. Suspecting the occupants of the vehicle were in violation of immigration law, the Agents activated the sedan's

As the Lexus passed Agent (b)(6) & (b)(7)(c) in the number four lane of travel he observed the Lexus drive over the yellow lane and onto the shoulder of the interstate. Agent (b)(6) & (b)(7)(c) also observed the Lexus swerve back onto the highway and then cross over the number four lane and into the number three lane without using its left signal indicator at a high rate of speed. Agent (b)(6) & (b)(7)(c) believed the vehicle was about to crash as the vehicle appeared to be out of control and it nearly hit a car as it swerved into the number three lane. Of note, there was no vehicle in front of the Lexus in the number four lane. Agent (b)(6) & (b)(7)(c) sped up to further observe the Lexus and run record checks on the displayed license plate.</p>

<p>While following the vehicle, Agent (b)(6) & (b)(7)(c) contacted United States Border Patrol ((b)(7)(E) Dispatch) and requested Department of Homeland Security (DHS) record checks on the burgundy Lexus' displayed license plate (California Lic. No. (b)(6) & (b)(7)(c)). During this time the Lexus slowed down to 65 miles per hour. As the Lexus approached the Gopher Canyon off-ramp, the driver, accelerated at a high rate of speed. Due to the excessive speed the Lexus missed the stop sign at the bottom of the off ramp and drove into oncoming traffic. Agent (b)(6) & (b)(7)(c) believed the driver of the Lexus may be intoxicated and needed to be stopped immediately to protect the motoring public. Agent (b)(6) & (b)(7)(c) activated the emergency lights and siren on his marked Border Patrol vehicle to perform an Immigration Inspection and the Lexus pulled to the shoulder of Gopher Canyon west of the Interstate 15.</p> <p>Agent (b)(6) & (b)(7)(c) exited his vehicle and identified himself to the driver, (b)(6) & (b)(7)(c) as a United States Border Patrol Agent. Activity: On Saturday, May 7, 2011, Agents (b)(6) & (b)(7)(c) of the Murrieta Border Patrol station were assigned roving patrol duties for the 6:00 a.m. to 2:00 p.m. shift. Agents (b)(6) & (b)(7)(c) and (b)(6) & (b)(7)(c) were assigned a fully operational service sedan with all lights and safety equipment visible to the motoring public. At approximately 1:00 p.m., the agents were notified by Murrieta Border Patrol dispatch that Bureau of Land Management requested assistance. Agent (b)(6) & (b)(7)(c) responded to the call from Officer (b)(6) & (b)(7)(c) badge # (b)(6) & (b)(7)(c) on Goetz Road and Palm Road. Officer (b)(6) & (b)(7)(c) originally confronted the subjects, who were parked on private property. Upon confronting the subjects the officer determined none of them spoke English or were in possession of identification. Once the Agents arrived on scene they identified themselves as United States Border Patrol Agents. Agent (b)(6) & (b)(7)(c) asked all three subjects to state their citizenship. The subjects freely admitted to being citizens of El Salvador present in the United States illegally. At this point the subjects were taken into DHS custody and transported to the Murrieta Border Patrol Station for processing. (b)(6) & (b)(7)(c) was entered into the Border Patrol's biographical search database (b)(7)(E) FBI#: (b)(7)(E) CII: A#: (b)(6) & (b)(7)(c) (b) (7)(E) (b)(6) & (b)(7)(c), (b) (7)(E) (b)(6) & (b)(7)(c), (b) (7)(E) Today, (b)(6) & (b)(7)(c) is insistent that he is a citizen and national of the country of El Salvador and is being set up for removal proceedings as a citizen of El Salvador. (b)(6) & (b)(7)(c) was provided a list of free legal services and served with DHS forms I-848, I-848a, I-286, I-862, and I-200. (b)(6) & (b)(7)(c) was asked if he wished to speak with the El Salvadoran Consulate at 5:30 p.m. by Agent (b)(6) & (b)(7)(c). This was witnessed by Agent (b)(6) & (b)(7)(c) Travel Information: (b)(6) & (b)(7)(c) departed from El Salvador on May 5, 2003. He paid \$10.00 for a bus ticket to Guatemala. When he arrived in Guatemala he contacted a smuggler that agreed to smuggle him into the United States for \$6500.00 U.S. They traveled by boat from Guatemala into Mexico. They then boarded a bus and continued on to Chiapas, Mexico. From

<p>On Saturday, May 21, 2011, Agents of the Murrieta Border Patrol Station were assigned roving patrol duties along the I-15 corridor.</p> <p>At approximately 1815 hours, Agents (b)(6) & (b)(7)(c) were traveling in a marked service vehicle northbound on the I-15 near Escondido. The Agents observed a red Honda Civic with a sole driver. As the Agents passed the red Civic, they saw the driver later identified as (b)(6) & (b)(7)(c) stiffened up and slump down in his seat. This behavior is frequent of illegal aliens when they are startled by Border Patrol presence, as that they attempt to conceal themselves from view. With this, the driver began to slow down in an apparent effort to place distance between him and the agents. The Agents continued to observe (b)(6) & (b)(7)(c) behavior and noticed that (b)(6) & (b)(7)(c) was avoiding making eye contact with the Agents. Agent (b)(6) & (b)(7)(c) waived his hand as an attempt to get (b)(6) & (b)(7)(c) attention, but (b)(6) & (b)(7)(c) would not look at the Agents. (b)(6) & (b)(7)(c) exited at Deer Springs Road and the Agents were able to exit as well. Within a few moments, the Agents activated their vehicle emergency lights and (b)(6) & (b)(7)(c) pulled off the side of the road.</p> <p>Agent (b)(6) & (b)(7)(c) approached the vehicle and identified himself as United States Border Patrol Agents to (b)(6) & (b)(7)(c). After Agent (b)(6) & (b)(7)(c) identified himself, (b)(6) & (b)(7)(c) asked Agent (b)(6) & (b)(7)(c) that he wanted a chance to remain in the United States because his son is sick. Agent (b)(6) & (b)(7)(c) conducted immigration inspections and (b)(6) & (b)(7)(c) stated that he is a citizen of Mexico, illegally present in the United States. (b)(6) & (b)(7)(c) does not possess any form of immigration documentation that would allow him to be in or remain in the United States legally. At the conclusion of the inspections, (b)(6) & (b)(7)(c) was arrested and transported to the Murrieta station for processing.</p> <p>At the station, (b)(6) & (b)(7)(c)'s full set of fingerprints were entered into the (b)(7)(E) system for positive identification. (b)(7)(E), (b)(6) & (b)(7)(c) (b)(7)(E)</p> <p>(b)(6) & (b)(7)(c) began to show signs of anxiety and requested medical care. After a few minutes, recanted his request for medical care and requested a Voluntary Return to Mexico.</p> <p>Vehicle Info: (b)(7)(E)</p> <p>YEAR: 1995 MAKE: Honda MODEL: Civic Color: Red R/O: (b)(6) & (b)(7)(c)</p> <p>A signed Form I-43 is on file.</p> <p>(b)(6) & (b)(7)(c) is not a candidate to Alien Transfer and Exit Program (ATEP). The agent performed a vehicle stop to conduct an immigration inspection on (b)(6) (b)(7)(C). The vehicle pulled into a shopping plaza and drove through the parking lot and stopped at a red light as if exiting the plaza. <p>station were assigned roving patrol duties for the 6:00 a.m. to 2:00 p.m. shift. Agents (b)(6) (b)(7)(C) were assigned a fully operational service sedan with all lights and safety equipment visible to the motoring public.</p> <p>Observation</p> <p>At approximately 10:05 a.m., the Agents were driving east on Rancho California Road, when they noticed a red Chevrolet pick-up truck stopped at a red light, at the Moraga Avenue intersection. The agents pulled along the passenger's side window and over heard the occupants of the vehicle say "Don't look", in the Spanish language. At this point Agent (b)(6) (b)(7)(C) noticed the driver moved his arms from a relaxed position at the bottom of the steering wheel, to a firm grip at the ten'o clock and two o'clock position, maintaining a statuesque position, upon noticing the marked service sedan. Agents (b)(6) (b)(7)(C) and (b)(6) (b)(7)(C) recognized these behavioral indicators as common amongst aliens present in the United States illegally. The agents decided to follow the subjects, as they turned left onto Moraga Avenue, in order to observe their unusual behavior. Once on Moraga, the vehicle made another sudden left turn into a shopping plaza. The agents mirrored the subjects, following them through the shopping plaza and back onto Rancho California Road, but this time heading west. The agents continued to follow the vehicle as it made another U-turn, again heading back east on Rancho California Road. It is common for aliens present in the United States illegally to make sudden turns, in an attempt to create distance from law enforcement officers. Based on their prior training and experience, Agents (b)(6) (b)(7)(C) became suspicious the occupants were in violation of immigration law.</p> <p>At this point Agent (b)(6) (b)(7)(C) requested through Murrieta Border Patrol Station Communications Office (b)(7)(E) Dispatch) that the displayed California plate, (b)(6) (b)(7)(C), be checked through Department of Homeland Security (DHS) records database. Agent (b)(6) (b)(7)(C) was notified by (b)(7)(E) Dispatch that the vehicle's registered owner is (b)(6) (b)(7)(C) out of Temecula, California. Suspecting the occupants of the vehicle were in violation of immigration law, the agents activated the sedan's emergency lights in order to conduct a vehicle stop on the Chevrolet. The vehicle yielded as it turned into Temecula Gardens Apartment Complex.</p> <p>Interview/Arrest:</p> <p>Agents (b)(6) (b)(7)(C) exited their service sedan, approached the Chevrolet, and identified themselves as United States Border Patrol Agents. Agent (b)(6) (b)(7)(C) asked the driver, later identified as (b)(6) (b)(7)(C) to state his citizenship. (b)(6) (b)(7)(C) stated he was a citizen of Mexico, and stated he possessed a Lawful Permanent Resident Card. Agent (b)(6) (b)(7)(C) then asked the passenger, later identified as (b)(6) (b)(7)(C) to state his citizenship. (b)(6) (b)(7)(C) stated he was a citizen of Mexico, and also stated he possessed a valid Permenant Resident Card. Once the Agents asked the subjects to present the immigration documents, they both freely admitted to previously making a false statement to the agents regarding their immigration status. NARRATIVE: ----- On July 7, 2011, Border Patrol Agents (b)(6) & (b)(7)(c) were assigned roving patrol duties along Interstate 15 between Escondido, California and Murrieta, California. Both BPA (b)(6) & (b)(7)(c) were dressed in full Border Patrol uniform and driving a marked agency sedan. All lights and sirens were fully operational. (b) (7)(E) At approximately 8:37 AM, BPA's (b)(6) & (b)(7)(c) were traveling northbound on Interstate 15 in the number 4 lane south of the Gopher Canyon Road exit when they observed a white Honda Civic sedan (CAUS: (b)(6) & (b)(7)(c) traveling northbound in the number 3 lane coming up behind them, (b) (7)(E), (b)(6) & (b)(7)(c) As the white Honda Civic neared BPA's (b)(6) & (b)(7)(c) marked agency vehicle, agents observed that the vehicle slowed down significantly to a speed well below that of the normal flow of traffic. Initially, the white Honda Civic would not pass the agent's vehicle until the BPA's (b)(6) & (b)(7)(c) slowed to a point of giving the white Honda Civic no option but to pass. As the white Honda Civic passed the agents, BPA's (b)(6) & (b)(7)(c) observed that the driver appeared to be frozen starring straight ahead with both hands firmly grasping the steering wheel at the ten and two positions. Immediately after passing BPA's (b)(6) & (b)(7)(c) marked agency vehicle the white Honda Civic moved from the number three lane across the number four lane and onto the off-ramp exiting Interstate 15 at Gopher Canyon. At the bottom of the ramp, the white Honda Civic turned westbound on Gopher Canyon Road. Based on their observations, BPA (b)(6) & (b)(7)(c) believed that the occupant of the white Honda Civic may be in violation of United States Immigration laws and decided to initiate a vehicle stop, for the purposes of conducting an immigration inspection. Immediately after completing the turn onto westbound Gopher Canyon Road, agents activated the emergency lights and siren, the white Honda Civic then accelerated away from the agents. The agents continued to pursue the white Honda Civic westbound on Gopher Canyon Road for approximately 1.7 miles when the white Honda Civic turned southbound on Twin Oaks Valley Drive. The white Honda Civic continued southbound for approximately .25 mile and then turned right onto Protea Vista Road. The white Honda Civic continued on Protea Vista Road at approximately 35 to 40 mile per hour for approximately .5 miles where the vehicle came to a stop due to the fact that the road led into a private gated community.

<p>Agent's note: Protea Vista Road is a narrow (one vehicle width) road that has numerous tight twisting turns creating a dangerous environment for persons traveling it at a high rate of speed.</p> <p>At this point, the driver, later identified as (b)(6) & (b)(7)(c), exited the vehicle and began running in a northerly direction. BPA's (b)(6) & (b)(7)(c) gave chase. After approximately 200 yards (b)(6) & (b)(7)(c) surrendered to BPA (b)(6) & (b)(7)(c) on the front sidewalk of the residence located at (b)(6) & (b)(7)(c). BPA (b)(6) & (b)(7)(c) identified himself as a Border Patrol agent to (b)(6) & (b)(7)(c) in the English language and questioned him as to his citizenship. In English, (b)(6) & (b)(7)(c) stated that he was a citizen of Mexico and did not possess any form of immigration documents that would allow him to be or remain in the United States. (b)(6) & (b)(7)(c) was then placed under arrest for violations of 8 U.S.C. 1325 (Entry without Inspection) and 18 U.S.C. 111 (Assaulting, resisting, or impeding certain officers). (b)(6) & (b)(7)(c) was then transported back to the Murrieta Border Patrol Station for further processing. Due to the fact that the white Honda Civic had been abandoned blocking traffic lanes, the white Honda Civic was towed and stored by NK Towing in Escondido, CA.</p> <p>At the Murrieta Station, (b)(6) & (b)(7)(c), biographical and biometric information were entered into Department of Homeland Security processing systems. (b)(7)(E)</p> <p>(b)(7)(E), (b)(6) & (b)(7)(c)</p> <p>(b)(6) & (b)(7)(c) was advised of his consular communication privileges by BPA (b)(6) & (b)(7)(c) in the Spanish language at approximately 11:45 AM as witnessed by BPA (b)(6) & (b)(7)(c). (b)(6) & (b)(7)(c) stated that he understood his rights and that he wished to contact the Mexican consulate. Between 11:50 AM and 12:00 PM, (b)(6) & (b)(7)(c) made three attempts to contact the Mexican Consulate in San Bernardino but no one answered the phone calls.</p> <p>With no significant immigration or criminal history, (b)(6) & (b)(7)(c) (b)(7)(E) (b)(7)(E) nor (b)(7)(E) (b)(7)(E)</p> <p>to include 18 U.S.C. 111 for the failure to yield and attempting to abscond and 8 U.S.C. 1325.</p> <p>(b)(6) & (b)(7)(c) requested a voluntary return to Mexico, however, he is being held in Department of Homeland Security custody pending return to Mexico through the Alien Transfer Exit Program.</p>

<p>near the Mission Road on-ramp to the I-15 northbound. At approximately 7:45 p.m. Agent (b)(6) & (b)(7)(c) observed a red Nissan Maxima (CA/(b)(6) & (b)(7)(c)) pass by her stationary location. When the vehicle passed by, Agent (b)(6) & (b)(7)(c) observed that neither the driver nor the passenger looked over in her direction. Agent (b)(6) & (b)(7)(c) further observed that after passing by her fully marked Border Patrol sedan, the driver moved the vehicle from lane two into lane three between two other vehicles. In Agent (b)(6) & (b)(7)(c) experience, those involved in the smuggling of illegal aliens and narcotics will often initiate maneuvers such as this in an attempt to mix in with the general motoring public and avoid detection by law enforcement.</p> <p>Agent (b)(6) & (b)(7)(c) elected to follow the vehicle to further observe the driver and passenger. As Agent (b)(6) & (b)(7)(c) approached the vehicle from behind, she observed that the two occupants of the vehicle were sitting very still in their seats, not looking around, moving around, or interacting with one another. The general motoring public will be moving around and looking around while they are driving down the road. They will also be talking to one another, talking on the phone, and generally interacting with the world around them. However, those involved in illegal activity and those illegally present in the United States will often react in this manner to the presence of law enforcement in an attempt to avoid detection and apprehension.</p> <p>As Agent (b)(6) & (b)(7)(c) drove alongside the vehicle, she further observed that the back end of the vehicle appeared to be very heavily laden. As the vehicle was traveling along flat stretches of the I-15 the back end was bouncing a great deal, as though there was a significant amount of weight in the back end/trunk of the vehicle. However, there were only two visible people in the vehicle. (b)(7)(E)</p> <p>(b)(7)(E)</p> <p>Agent (b)(6) & (b)(7)(c) contacted (b)(7)(E) Dispatch and requested records checks on the vehicle license plate.</p> <p>Agent (b)(6) & (b)(7)(c) then initiated a vehicle stop along the I-15 northbound. The vehicle continued on for several seconds, and then yielded along the I-15 northbound near the Rancho California Road exit.</p> <p>Agent (b)(6) & (b)(7)(c) approached the vehicle and identified herself as a Border Patrol Agent to the occupants. Through brief questioning, Agent (b)(6) & (b)(7)(c) determined that the driver, identified as (b)(6) & (b)(7)(c), was a citizen and national of Mexico illegally present in the United States. (b)(6) & (b)(7)(c) stated that he was a previous holder of a Border Crossing Card (BCC)/B1-B2 Visa, but that it had expired. (b)(6) & (b)(7)(c) stated that he had not reapplied for a new visa or any other immigration documents that would allow him to be or remain legally in the United States.</p> <p>(b)(6) & (b)(7)(c) was transported to the Murrieta Border Patrol station for further identification and processing.</p> <p>Per the drivers' request, the vehicle was released the USC passenger.</p>

As the marked unit came into the driver's view, the truck reduced his speed from about 60 mph to approximately 40 mph. It should be noted that that the posted speed limit is 60 mph and all other traffic was traveling at approximately 60 mph. This type of driving behavior is commonly observed in the presence of U.S. Border Patrol units when the subjects are involved in alien/ narcotics smuggling and are attempting to avoid detection. Agents initiated a vehicle stop to investigate further.</p> <p>Agents (b)(6) (b)(7)(C) approached the vehicle and identified themselves as U.S. Border</p>

<p>considerably slower than the flow of traffic. Agents (b)(6) (b)(7)(C) recognized these behavioral indicators as common amongst aliens present in the United States illegally. The Agents mirrored the pick-up, still monitoring the occupants's unusual behavior. On Wednesday August 10, 2011, Border Patrol Agents (b)(6) (b)(7)(C) were assigned roving patrol duties along the I-15 corridor and its circumvention routes. The agents parked their service vehicle at Jefferson Avenue and Elm Street. (b) (7)(E)
(b) (7)(E)

At approximately 7:30 am the agents observed a vehicle with seven occupants traveling northbound on Jefferson Avenue from Elm Street. Upon noticing the uniformed agents, the subjects appeared to become very nervous. The subjects immediately looked in the opposite direction and acted as if never seeing the Border Patrol Agents. The agents proceeded to follow the vehicle for further inspection. As the agents followed the vehicle, the subjects driving habits noticeably changed. This action is common among illegal immigrants and their smugglers in the presence of the Border Patrol. As the agents pulled up along side the vehicle to get a better look at the subjects, the vehicle slowed down to approximately five miles per hour in a 55 mile per zone. The agents then initiated a traffic stop north of Guava Road. The agents questioned all subjects as to their citizenship. The driver was a Lawfully Admitted Resident of the United States with proper

<p>responsibility ("AOR"), along with Agent (b)(6) (b)(7)(C). Agent (b)(6) (b)(7)(C) and I were wearing green Border Patrol uniforms with badge identifiers visible and were driving a green and white Dodge Charger which was marked with Border Patrol insignia and equipped with emergency lights and siren. I was driving our vehicle and Agent (b)(6) (b)(7)(C) was my passenger.</p> <p>(b) (7) (E)</p> <p>(b)(7)(E) (b)(6) (b)(7)(C)</p> <p>(b) (7) (E)</p> <p>At approximately 7:50 a.m., Agent (b)(6) (b)(7)(C) and I were driving east on I-10, approaching Indian Canyon Boulevard. Agent (b)(6) (b)(7)(C) and I were traveling in the number three of four lanes (i.e., second lane from the right shoulder). The recommended speed in that area, as posted on signage, is sixty-five miles-per-hour ("MPH").</p> <p>While driving, I observed a tan-colored Chevrolet S-10 pickup truck approaching us in the number two lane (i.e., one lane to our left). The S-10 appeared to be approaching quickly, which indicated to me that it was traveling much faster than Agent (b)(6) (b)(7)(C) and me. I looked at my speedometer and noted that the median speed for my vehicle and the motoring public around me was approximately seventy MPH. As the S-10 came to within five to six car-lengths of our vehicle, I saw its body jolt forward while the vehicle slowed down rapidly. Based on my observation of the vehicle, I suspected that, in a very small amount of time, the vehicle decreased its speed.</p> <p>I found this very abnormal. During my patrols of I-10, I make observations of motorists and become aware of what are normal and abnormal observations of vehicles and their occupants. I suspected that the vehicle's occupants slowed excessively upon making visual contact with our marked service vehicle. Changes in behavior around immigration officers is indicative to me that person(s) may be involved in violations of immigration laws.</p> <p>I began slowing to sixty-five MPH and observed that the S-10 appeared to also slow. I continued slowing, and, eventually, observed that the S-10 had continued to slow while behind me until I had reached approximately fifty MPH. While traveling at approximately fifty MPH, the S-10 began impeding the travel of several vehicles which were approaching the S-10 in the number two lane. As a result, its speed increased and it slowed past Agent (b)(6) (b)(7)(C) and me.</p> <p>The decrease in the S-10's speed, which was symmetric to mine, indicated to me that the S-</p>

<p>10 was possibly attempting to avoid passing our vehicle. I believed that it was possible that its occupants were weary that, if they passed us, they would be in a position that made them susceptible to an investigative stop of their vehicle. Normally, persons who are involved in illegal activity will do this to prevent making contact with law enforcement officers.</p> <p>When the S-10 passed us, I looked inside of it and saw a male driver, a female front-passenger, and a male rear-passenger. All three of the occupants were looking straight ahead at the roadway. The driver's body posture appeared very rigid and uncomfortable, which seemed odd and out-of-the-ordinary. Based on my previous observations of the S-10, I suspected that the driver's appearance confirmed that he and his vehicle were abnormal to me based on my frequent observations of I-10's motoring public. The driver's uncomfortable appearance indicated to me that he was not relaxed in my presence, which may have been caused by an uneasiness or nervousness in the presence of a law enforcement officer.</p> <p>I communicated my observations with Agent (b)(6) (b)(7)(C). Agent (b)(6) (b)(7)(C) affirmed that he had also made several observations, similar to mine, which indicated to him that the vehicle and its occupants were abnormal. We communicated that we intended to perform an investigative stop of the vehicle and its occupants to investigate further.</p> <p>I pulled behind the S-10 and activated our vehicle's emergency lights. Within seconds, the S-10's brake lights illuminated and it began slowing to the right shoulder of the road. The S-10 slowed and stopped on the right shoulder. Agent (b)(6) (b)(7)(C) and I stopped behind it, parked, and exited.</p> <p>Agent (b)(6) (b)(7)(C) and I approached the S-10. Through the driver's lowered window, I greeted him and his passengers. I identified Agent (b)(6) (b)(7)(C) and myself as Border Patrol agents. I questioned each person, individually, regarding their identity, citizenship, and immigration status. The two passengers identified themselves and stated that they were citizens of the United States by virtue of birth. The driver stated that he was (b)(6) (b)(7)(C) (b)(6) (b)(7)(C) and stated that he was a citizen of Mexico by virtue of birth. I asked the driver if he had any driver's license or identification documents in his possession, but he stated that he did not.</p> <p>I know that, pursuant to state law, the operators of motor vehicles are required to maintain driver's licenses. The driver, lacking both an identification card and a driver's license, appeared odd to me. Undocumented aliens frequently lack driving privileges because they do not meet the criteria to obtain them.</p> <p>I asked the driver to step outside of the vehicle so that I could speak with him. The driver exited the vehicle and walked to the front of our service vehicle. Agent (b)(6) (b)(7)(C) spoke with the driver and stressed the importance of providing him with a valid identity. After being notified that it was a federal offense to lie to a federal officer, the driver admitted that he had lied about his identity. The driver stated that he was (b)(6) (b)(7)(C) (b)(6) (b)(7)(C). (b)(6) (b)(7)(C) again, stated that he was a citizen of Mexico by virtue of birth. (b)(6) (b)(7)(C) admitted that he was illegally present in the United States and that he had misrepresented himself in an attempt to avoid having his illegal alienage discovered. <p>On Friday, August 12, 2011, Agents (b)(6) (b)(7)(C) of the Murrieta Border Patrol station were assigned roving patrol duties for the 6:00 a.m. to 2:00 p.m. shift. Agents (b)(6) (b)(7)(C) were assigned a fully operational service sedan with all lights and safety equipment visible to the motoring public.</p> <p>At approximately 9:00 a.m., the agents were parked along Cajalco Road, near Smith Road. As the agents were observing traffic headed west bound on Cajalco Road, they noticed a black Chevrolet Silverado approach their position. As the vehicle passed the agents location, the agents noticed the vehicle contained two occupants. The passenger of the vehicle, later identified as (b)(6) (b)(7)(C), appeared to become very rigid at the sight of the Border Patrol Agents. This nervous behavior is common among aliens present in the United States illegally. Agents (b)(6) (b)(7)(C) then pulled behind the vehicle to gain a better view of the occupants. The Agents pulled along the passenger's side window and noticed the passenger refused to make eye contact with the Border Patrol Agents. At this point, the vehicle slowed down to below the speed of traffic. This behavior is common among aliens present in the United States illegally, in an attempt to avoid drawing the attention of Law Enforcement Officers. Suspecting that the vehicle contained illegal aliens, the agents activated the sedan's emergency lights in order to conduct an immigration inspection on the occupants. The vehicle yielded on Cajalco Road, just west of Smith Road. Agents (b)(6) (b)(7)(C) approached the vehicle and introduced themselves to the occupants as United States Border Patrol Agents. Agent (b)(6) (b)(7)(C) asked the occupants of the vehicle to state their citizenship. The driver stated that he was a citizen of the Mexico, and presented a valid Permanent Resident Card. Agent (b)(6) (b)(7)(C) asked the passenger to state his citizenship. The passenger freely admitted to being a citizen of Mexico, present in the United States illegally. (b)(6) (b)(7)(C) was taken into custody and transported to the Murrieta Station for processing.</p> <p>Vehicle released on scene with the driver.</p> <p>Processing/Investigation:</p> <p>At the station, a secondary immigration inspection was performed (b)(6) (b)(7)(C). (b)(6) (b)(7)(C) again freely admitted to being a citizen of Mexico without possessing any legal immigration documents. He further admitted that he entered the United States through the desert in California and that he was never admitted or inspected by any official of the U.S. Government.</p> <p>Also at the station, as a routine step in processing, (b)(6) (b)(7)(C) photograph, biographical, and biometric information was entered into processing systems. (b) (7)(E)</p> <p>(b) (7)(E)</p> <p>(b)(6) (b)(7)(C) (b) (7)(E)</p> <p>was a candidate and participant in the Alien Transfer and Exit Program (ATEP) on 08/12/2011 at the Murrieta Station.</p>
